

## Zoom Visits With Santa - Saturday December 5, 2020

A Medinah Shriners Family Event for Members

Follow the link below to register for a private 5 minute family Zoom session with Santa Claus from his workshop at the North Pole! There is NO COST to participate.

**Click or enter this link into your browser =====>**

<https://forms.gle/NYZXSBeUWs5F82Nh7>

**The request must be submitted by November 30th (firm deadline)** at the latest to allow us to schedule your visit with Santa. Earlier is better so Santa can have all the helpers he needs available. There will be 4 time blocks to request from with a first & second choice.

This event is for active Medinah Shrine Members and Family - (Children / Grandchildren). On December 1 & 2 an email will be sent to the email address you provide in the request form with your unique access code and the specific time for your visit. Please log in to Zoom 10 minutes before your scheduled time and one of Santa's elves will queue you up in the waiting room. Each family will then be have approximately 5 minutes to talk interactively with Santa live in his workshop at the North Pole.

(If you haven't used Zoom before, a set up and tips sheet will be available to download from our website at Medinah.org in a couple weeks - but generally just clicking on the link provided will take you there.)

If you have any problems completing the form via the link or need assistance please send an email to: [\*\*santamedinah@gmail.com\*\*](mailto:santamedinah@gmail.com)

Registration is only accepted through the Google Forms link. No need to call the Medinah office.

(We are also in process of organizing a no contact "drive through" visit with Santa on Saturday December 12 under Medinah's Portico. More info and advance registration links for that event will be sent out in a separate notification next week. All cars MUST register in advance and children's names and ages provided in order to receive a toy from Santa on that day.)

**Organized by the "Santa's Elves Committee" at Medinah.**
