Medinah Shriners Hospital for Children Golf Outing

in memory of Al Daily

Saturday August 13, 2022

It is our honor again to host a golf outing that will raise money for the care of patients at Shriners Children's Chicago. Shriners Children's is devoted to providing high-quality specialty medical care to the children and families who come to us, regardless of their ability to pay or insurance status. Shriners Children's has locations throughout North America. Their three-part mission has one goal: to change and improve lives. They do this by caring for patients, conducting research to gain knowledge and develop new treatments, and providing educational opportunities for physicians and other healthcare professionals. At the Chicago Shriners Hospital, they care for orthopedic and craniofacial patients and provide rehabilitation for patients with spinal cord injury.

This year we again shall return to Bloomingdale Golf Club for our event. As you are probably aware, no function can be a success without the generous help of the community and the businesses. I have enclosed a copy of our sponsorship levels and what they include. Please review and even if all you can do is a hole sponsorship, it will be very much appreciated by all. In some of the sponsorships (if you or your team are golfers) you will notice a paid foursome for the outing is included along with dinner. If you have more than one foursome that would be interested, please make a copy of the sign-up form.

To view more about the Hospitals and or work we do as Shriners, please visit our web site at: Medinah.org If you have any questions I might answer, please give me a call or email me at the below footer.

Thank you,
